A Fun, Meaningful Camp Experience for Children

By Ashley Purcell, Children's Ministry Director
apurcell@severnsvalley.org

The Story Behind WinShape Camps

In 1984 WinShape Camps began with one man's dream to shape tomorrow's leaders. S. Truett Cathy of Chick-fil-A put his dream into motion by creating a camp experience that was focused on challenging young people physically and spiritually. Now, decades later, that dream continues to shape young people through a camp that is out of this world!

In 2008, WinShape Camps for Communities (formerly WinShape Camps C3) was

launched. The values and visions of WinShape Camps can now be shared with children and their families through an all-day, week-long camp held in our community and many communities across the country.

The staff of WinShape Camps is relentless in their pursuit of the Ultimate Day Camp Experience; one that challenges every camper to sharpen their character, grow in their relationships and deepen their Christian faith.

What Does WinShape Camp Provide?

WinShape Camps for Communities provides a professionally trained staff to create the most fun and meaningful in-town day camp for completed Kindergarten through sixth grades. WinShape Camps for Communities partners with our local Chick-fil-A to provide an exciting camp experi-

ence they will never forget.

Whether your kids like soccer or science, art or archery, dance or drama, painting or photography, food or football, there is something for everyone! Camp combines sports, recreation, arts, Bible study and worship into one unforgettable week!

What Others Are Saying About Last Year's WinShape Camp Hosted by SVBC

"Logan and Morgan loved the leaders. They were really fun. They also liked the variety of activities that were offered since Logan is very much into sports and competitive, but Morgan isn't, so it satisfied both of their interests." —Monique

"Kelsey's favorite thing is all the different activities she gets to do. Her most favorite activity is archery. When I asked her how she felt about camp she said 'Awesome!'" —Kim

"I'm glad to send my child to a camp she enjoys and one that incorporates Christian counselors with a variety of sports activities and games. At WinShape Camp everyone's a winner!!" —Beth

Serving Opportunities

Jesus clearly calls each of His followers to be servants. Do you know how you can serve at Severns Valley? We have prepared a list that is available at the information centers. Please stop by and pick one up. After you've prayed about where God wants you to serve, return your completed form back to the information center. Someone from the church will be contacting you in the next few weeks to discuss how you can begin serving.
